

We are an international software company, and our mission is to make manufacturing more intelligent, more efficient, and more flexible. Our 50 professionals in Germany, India and China are dedicated to developing new technologies, and to making the smart factory vision a reality.

As a subsidiary of Eisenmann SE, we can draw on over 25 years' experience in the development and implementation of pioneering software solutions. As a team, we value working together closely and constructively to find novel solutions.

Join our team, and help shape the future as a

MANAGEMENT ACCOUNTING PROFESSIONAL, FULL-TIME OR PART-TIME

at our facility in Boeblingen, Germany.

Your role:

- To perform regular and operational tasks such as budgeting, forecasting and variance analysis.
- To improve and extend the reporting environment – from monitoring of projects, sales and development activities to financial analysis.
- To perform economic efficiency calculations and ad-hoc analysis.
- To assist in the preparation of monthly, quarterly and annual reports to the German Commercial Code (HGB) and IFRS in collaboration with the relevant department of the parent company.
- To manage a limited number of suppliers (administrative).
- To prepare outbound inquiries and orders.
- To process and compare inbound quotations and proposals.
- To assist in negotiations with suppliers.

Your profile:

- You have several years' experience in management accounting or financial accounting
- You have earned a business degree or alternatively, you have a commercial qualification and have completed training as a certified financial accountant
- You are familiar with the preparation of balance sheets to HGB and IFRS
- You are familiar with at least one ERP system
- Ideally, you have experience in the IT or software industries and excellent Excel skills
- You are fluent in spoken and written German
- You have a natural talent for figures and work with great precision
- You can work independently and systematically and you are dedicated, flexible, and work well in a team.
